Report of Local Executive Board

October 11, 1962

The 1961-1962 school year at the Montana School for the Deaf and Blind showed progress and continued improvement. The physical plant is in good repair and the grounds are well kept. The School has been running smoothly, and the morale of the students and staff personnel continues good. A balanced diet is served and the meals have been well prepared.

The students enjoy their outside activities and their programs. We feel the programs presented yearly by the music department of the School for the Blind are outstanding. They are well attended by the general public. The demand for the pupils to appear on programs for local civic groups and clubs is increasing. We commend Miss Koetitz on the excellent job she is doing in this department.

There are plans under way for more recreational facilities, purchase of additional reading material for pupils in the School for the Blind and other changes which we hope will develop during the next year.

**Local Executive Board of the Montana
School for the Deaf and Blind**
Geordies K. Kotz (Mrs. O.B.), Chairman
John E. Warner, Secretary
Art Jardine, Member

Superintendent's Report

OCTOBER, 1961

The Montana School for the Deaf and Blind opened Wednesday, September 6. Enrollment this year stands at 104 as compared to 99 at the same date last year. The enrollment divides as follows:

Deaf Boys	39	Blind Boys	17
Deaf Girls	31	Blind Girls	17
	<u>70</u>		<u>34</u>

Two pupils returned to public school. Thirteen new students entered at the opening of school. Ten entered the department for the deaf and three the department for the blind. Two former students returned, as their parents have moved back to Montana. One of these is in the department for the deaf and one in the department for the blind. One boy returned after trying a year in public school.

PHYSICAL PLANT

Before the close of school, each staff member made a note of repairs which would need to be done during the summer. These lists were used as a guide for summer work. Cleaning and repair work were completed before the opening of school.

STUDENTS

School has been in operation long enough for all new students to be nicely adjusted.

The Civitan Club purchased a fine set of swings which were installed on the little boys' playground before school opened.

Entertainments and outings have started. The older boys and girls have worked out programs with teachers and sponsors for weekend outings and parties during the school year.

The Department of Health, Education and Welfare has sponsored a program of captioning films for the deaf. These are regular sound movies with the addition of excerpts of conversations imposed directly on the film. In place of rental films, these will be available to the school for the cost of postage. This is a new program, and the deaf children enjoy the films much more than those which were not captioned. The captions do not interfere in any way with the enjoyment of the blind children.

CIVIL DEFENSE

The director of civil defense has checked with us on available area for fallout protection. Emergency preparations have been made. Staff members have been supplied with informational booklets, and informal drills will be held in moving the children to safety from fallout. Further conferences with local and area defense officers will be held to check on details which might be overlooked. Fallout protection can be had at the school. Blast protection would not be available at the present time,

JANUARY, 1962

STUDENTS

The student population is 107 this year. The enrollment divides as follows:

Deaf Girls	31	Blind Girls	18
Deaf Boys	41	Blind Boys	17
Total Deaf	72	Total Blind	35

Last year at the same time the total enrollment was 99.

The Christmas program this year was under the direction of Miss Sche'l, Miss Downward, and Miss Koetitz, assisted by all members of the staff. The school auditorium was filled to capacity, and an open house was held on the evening of December 20. Parents who attended took their children after the program. All other children went home by bus or train the next day for the holidays.

A program of Christmas music was taped for broadcast on Christmas day by a local radio station. The Great Falls Tribune printed one of the nativity scenes on December 25.

STAFF

Staff changes are rarely made except at the close of the school year in the summer. This gives the children a feeling of permanence in the school family. We regret that Mrs. Emily Arnaud, little boys' housemother retired for reasons of health at the close of December. Mrs. Mary A. Bell has been employed to take Mrs. Arnaud's place. The transition to a new housemother is least upsetting to children after the Christmas vacation.

HEALTH

The general health of the children has been excellent this fall.

Through the cooperation of Dr. Brinkley, school physician, and the Trudeau Society, all students and staff members were tuberculin tested in December. All proved to be free from tuberculosis. All immunizations were brought up to date at the time the tests were given. Parents pay for Salk vaccine.

EDUCATIONAL TRIP

Plans are being made to charter a Greyhound bus to take the twenty-six students in the high school department and six adult sponsors to the World's Fair in Seattle in the first part of May. All students are studying to be advanced enough to spare five days from the classrooms. Such trips in the past have proven to be of value. Achievement tests show that the children advance faster in school work with such an incentive.

Unsolicited funds have been received to finance the trip. Students are expected to earn and save enough money to pay for their own food and to purchase souvenirs.

APRIL, 1962

GRADUATION

Commencement exercises will be held on the evening of Friday, June 1. There will not be any graduating class from the Department for the Blind. Those who will receive twelfth grade diplomas from the Department for the Deaf are:

Donald Hall	Kalispell
Donna Maher	Gallatin Gateway
Leslie Peterson	Roundup
Mary Smith	Manhattan
David Wise	Kalispell
Lilly Wittman	Huntley
Sally Wolfe	Missoula
Kathy Hensley	Great Falls
Dorothy Kanning	Dunkirk

Kathy Hensley and Dorothy Kanning were accepted for admission to the preparatory class at Gallaudet College last spring. They will return to receive their diplomas with the other members of their class.

All seniors have been given aptitude tests by the Employment Service. They have been interviewed by the Vocational Rehabilitation Department. All forms and physical examinations have been completed in order that advanced training or job placement may be accomplished with a minimum of delay after graduation.

STAFF

Due to retirements and to acceptance of other offers, there will be a number of staff changes made. For example, Mr. Garretson, Head Teacher of the Deaf, has accepted appointment on the staff of Gallaudet College for the Deaf, Washington, D.C. Mr. Garretson has been paid on a ten-month basis, as he has prepared schedules, lesson plans and related materials during the summer. Mr. Floyd McDowell, Head Teacher of the Blind, has had the same arrangement.

We recommend that Mr. McDowell be made principal of both departments at no change of monthly salary but on an eleven months basis, as he will be responsible for such materials for both departments. He is experienced both in the education of the deaf and of the blind, and he would be qualified to become superintendent in time. Mr. Robert LeMieux will be needed to pick up the teaching load caused by this change.

Mrs. Carol Garretson has taught on half-day basis. She is leaving with her husband. Mrs. Viola McDowell wishes to change from full-time teaching to half-time to replace Mrs. Garretson. Mrs. Ada E. Somppi, an experienced public school teacher, is observing our teaching methods, with the intent of taking the teaching program now handled by Mrs. McDowell,

Mr. Jay Barker, Teacher of the Deaf, plans to return to college for his masters degree. Mr. Shanny Mow has been selected to replace Mr. Barker.

Due to the movement of teachers in the higher salary brackets, it will be possible to approximate between seventy-five and eighty per cent of the salary schedule of Great Falls public school teachers for last year, without increasing the budget for teachers. Adjustments have been submitted on this basis.

Mrs. Underwood, Cook, is retiring after nineteen years of service. Replacement will be made this summer. Mrs. Maisie Richards, Dining room Supervisor, is retiring because of age and health. Her replacement will be selected later.

Mr. Edward Nelson, State Budget Director, has checked our figures and tapes on the proposed changes, and he considers the proposals within the funds available for the school year July 1, 1962 to June 30, 1963.

FIRE MARSHAL'S REPORT

The State Fire Marshal inspected this school last summer. We have complied with his recommendations.

JULY, 1962

CLOSING OF SCHOOL

Commencement exercises were held on the evening of Friday, June 1. Mrs. O. B. Kotz, President of the Local Executive Board, presented twelfth-grade diplomas to the nine graduates from the Department for the Deaf.

Two girls, Kathy Hensley and Dorothy Kanning, had completed one year at Gallaudet College. Another girl, Lilly Wittman, passed her entrance examinations this spring, and she will enter the college for the deaf this fall.

In our January report, we gave our plans to take all members of the high school department to the World's Fair in Seattle. The trip was made by chartered bus from May 13 to 18. The trip will be remembered as a high point in the lives of these young people. All students had maintained high scholastic standards to be eligible for the trip. They had also worked and saved money to pay their personal expenses. Funds for the trip had been received without solicitation.

We wish to thank Mr. John Warner, Secretary of our Local Executive Board, for his help in planning the trip, checking on insurance, liability and other details. Mr. Ar. Jardine, member of our Local Executive Board, has been responsible for the school receiving substantial sums for the benefit of the children for educational and recreational purposes. We appreciate the continued interest and assistance of our Local Executive Board.

STAFF CHANGES

Mrs. Meral Sterback has been appointed Cook, at the salary approved at the April meeting of the State Board of Education, to replace Mrs. Vivian

Underwood, who has retired after nineteen years of service.

Mrs. Katherine Clifton resigned as Housemother of the Girls at the close of school to be married. We have not yet selected a replacement for this position.

Mrs. Minnie Walette submitted her resignation as School Nurse to enter missionary work. A replacement will be made before school opens in the fall.

HEARING AID PROJECT

Mrs. Orvie Stover, State Supervisor, Royal Neighbors of America, has started a "Help to Hear" fund, which is supported by the various encampments. This fund will enable us to try individual hearing aids on children whose audiograms indicate an aid might be of real benefit. When results prove an aid to be beneficial, parents will be so advised. If the parents are unable to afford an aid, this fund will make it possible to furnish one as a gift from the Royal Neighbors of America.

PHYSICAL PLANT

The physical plant has been maintained as well as possible during the school term. Teachers and staff members submitted repair lists before the close of school. Lists have been typed, so related work can be done with a minimum of lost motion.

Hospital Report

1961-1962

Total Treated in School Hospital by Months

MONTH	OUT PATIENTS	BED PATIENTS	DAYS
Sept., 1961	576	1	2
Oct., 1961	723	2	7
Nov., 1961	642	5	9
Dec., 1961	434	7	15
Jan., 1962	712	7	17
Feb., 1962	615	7	20
Mar., 1962	788	6	15
Apr., 1962	656	2	4
May, 1962	477	2	9
	5623	39	98

All children were weighed every month. All were measured in September and in May. All showed satisfactory increase in height and in weight.

11 new entrants were given complete physical examinations. All tests were negative.

1 pupil was taken to the Clinic for a leg injury; 4 calls.

2 pupils were taken to the Clinic for minor surgery; 4 calls.

1 pupil was taken to the Clinic to a gynecologist; 2 calls.

1 pupil was taken to the Clinic to a dermatologist; 2 calls.

16 pupils were given gamma for red measles.

7 pupils were taken to the Clinic for a complete examination under the Vocational Rehabilitation program.

2 pupils were taken to the Clinic for first, second, and third polio shots.

3 pupils were taken to an ophthalmologist; 2 for glasses, 1 for check-up.

3 pupils had scarlet fever. There were no complications.

All pupils were given P.P.D. tests. All were negative.

16 pupils received CR-Bicillin

1 pupil received 4 penicillin shots.

1 pupil received 1 tetanus shot (booster).

9 pupils were taken to the dentist; 7 extractions, 10 fillings.

There were no operations.

There were no fractures.

The above report submitted by Minnie H. Walette, School Nurse

Department of Pediatrics

May 31, 1962

Mr. Glenn I. Harris
Superintendent
Montana School for the Deaf
and Blind
Great Falls, Montana

Dear Mr. Harris:

It always gives me a great deal of pleasure to look over the Hospital Report and the over-all report of the health of the children at the Deaf and Blind School. I think the personnel concerned with the health of the children at the school are to be congratulated on their ever vigilance in picking up early cases of illness and other health problems the children have. This keeps our morbidity record down to a very low minimum. I think you are very fortunate in having these kinds of people on your staff, especially Mrs. Walette who has done a beautiful job.

I hope you and the children have a very good vacation, and we'll see you in the fall.

Very sincerely,
Joseph W. Brinkley, M.D.

JWB-pe

General Information

HISTORY: The School for the Deaf and Blind was established in September, 1893, and until 1937 was located in Boulder, on the same campus as the State Training School. In October, 1937 the school was separated from the Training School and moved to new quarters in Great Falls.

LOCATION: The Montana School for the Deaf and Blind is situated at the eastern city limits of Great Falls. Highway 87 and 89 pass the school at 38th street. The address is 3800 Second Avenue North.

PURPOSE: The School is maintained by the state under the direction of the State Board of Education for the education of children too deaf or too blind to make satisfactory progress in the public schools.

AGE: Pupils between the ages of 6 and 18 are eligible for admittance but no student who has completed high school may be enrol'ed.

TRAINING: The department for the deaf is conducted by a staff of well-trained experienced teachers. Lip reading and speech are the chief methods of instruction. In addition to regular school subjects offered in all grades through 12, vocational training is provided. Among trades taught deaf boys are: printing, woodworking, general shop; to girls: sewing, dressmaking, domestic science and typewriting.

The School for the Blind is equipped to give academic instruction either in the Braille or sight-saving department. Vocational training and music are on the curriculum.

RESIDENCE: The institution is a boarding school, and is in session from the second Wednesday in September until the second Wednesday in June with exception of Christmas holidays. Day pupils are admitted, but all student are entitled to free board and room.

COST: There is no cost for tuition, books, living expenses or care. Parents are expected to provide transportation for pupils, clothing and approximately \$20 per year for incidental expenses such as shoe repairs, hair-cuts, toothpaste, etc. Section 1463, Chapter 29 of the Revised codes of Montana provides for county assistance for indigent families.

ADMISSION: Pupi's are admitted on trial subject to their physical and mental ability to receive instruction. Upon request, an application blank will be provided by the school. The application must be completely fil'ed out and returned together with a certificate of good health and freedom from contagious or infectious diseases. A transcript of credits or letters from teacher or principal is also required when the pupil is transferred from the public schools.

HEALTH: A resident nurse is on duty at the school at all times and a clinic is provided for children who are ill. Ordinary medical care is provided free and operations and extended treatment must be paid for by parents.

RECREATION: Pupils are given an opportunity for three hours of physical training weekly under direction. Recreation ground and rooms are provided, and school parties, moving pictures and other entertainments are scheduled regularly. Pupils enjoy skating, hiking, basketball, and many other

types of recreation. Radios, phonographs and pianos are placed in recreation rooms.

CLOTHING: Uniforms or special clothing are not required. Every garment must be plainly marked in indelible ink or by means of woven name tapes which may be obtained at department stores or mail order houses. Linens, bedding and towels are provided by the school. A list of suggested clothing may be obtained upon request. Clothing is laundered locally.

GENERAL CARE: Supervisors are employed at the school who serve as housemothers and counsellors. Nourishing, well balanced meals are served. There is plenty of milk, butter, vegetables, meat, potatoes and other wholesome food.

VISITORS: Parents, relatives and friends may visit their children as often as they wish. Other visitors are welcomed on school days (Monday through Friday) between the hours of 9:30 and 11:30 a.m. and 1 and 4 p.m. Groups of persons desiring to visit the school may come at other times by special arrangement. Pupils may go out during weekends, or after school hours with parents, relatives or friends by advising us in advance. However, no pupil is permitted to go except with parents, unless we have written permission from home.
